

Old Wesley RFC is fully committed to promoting and using the IRFU policy with respect to the Code of Conduct for players/parents/supporters

We have the the Code of Conduct prominently displayed in our Clubhouses in Donnybrook and Ballycorus. We also make reference to it on our registration form, which we ask parent to sign. A copy is given to each player in the information pack supplied to each child on registering.

We expect players to uphold the code, to have respect for themselves, other players, opponents, leaders, referees and supporters.

Further information re. the IRFU's Code of Conduct document is available at
