

Old Wesley RFC is fully committed to promoting and using the IRFU policy with respect to anti-doping in rugby.

We have adopted the following as our guiding principle when it comes to anti-doping:

Old Wesley RFC fully recognises the need and its responsibility to remain vigilant at all times to the threat of performance enhancing drugs in the sport and implements an anti-doping policy in line with the IRFU, Irish Sports Council, World Rugby and World Anti-Doping Agency (WADA) regulations and guidelines
